Endowment
We are proud to announce that a portion of the money raised during Greek Week 2015 has been used to fully endow Greek Life: Letters Today, Leaders Tomorrow Endowment Fund. The Endowment Fund was created during Greek Week of 2012 as a philanthropy effort to provide members of the Greek community with scholarships based on both merit and need. With the completion of the fund, we have successfully reached our goal of finishing the establishment of the scholarship endowment by 2015! We would like to thank all the alumni who made a donation for contributing to this wonderful cause, and making these scholarships possible!

Greek Week
With the theme “Red, White and Greek” to lead the way, a wiffle ball tournament kicked the week off; followed by Tru-American Idol, and Star Spangled Trivia. The week concluded with a Battle of the Bands as the large philanthropy event and Lip Sync. We were excited to announce the Greek community broke all records by raising $20,813.51 (the most raised during Greek Week!). We would like to congratulate Sigma Sigma Sigma and Sigma Tau Gamma for being our overall Greek Week 2015 champions! Congratulations are also in order for our 2015 Greek Week King and Queen, Adam Fehr, of Beta Theta Pi, and Liz Marler of Sigma Sigma Sigma. The Greek Community is proud of its accomplishments throughout the week, and looks forward to the continuing success of this celebration of Greek life!

Greek Week Scholarships
This year, Greek Life awarded two Greek Week Scholarships to members of the community that exemplify the values of Greek Life. The 2015 Greek Week Scholarship recipients are Chip Thien and Nick Linneman. Chip is a member of Pi Kappa Phi and is a senior Computer Science major. Nick is a member of Sigma Phi Epsilon and is a junior Agricultural Business major. Congratulations to these outstanding members of the Greek Community!

Panhellenic Growth
Truman welcomed Delta Phi Epsilon to campus during the Spring semester as our newest Panhellenic sorority! They recruited 110 founding members, and are looking forward to participating in formal recruitment in the Fall. This semester, they were able to participate in Greek Week, as well as celebrate DPhiE’s 98th birthday, and organize their first annual ANAD Week to benefit one of their philanthropies, the National Association of Anorexia Nervosa and Associated Disorders (ANAD). They would like to thank the entire Greek community for their support throughout the semester! They were chartered on May 2nd, and officially became the Zeta Beta chapter. We cannot wait to see what amazing contributions they will make to our community in the future!

“Working with these women and this community has been an amazing experience!”
-Rani Somers, Delta Phi Epsilon, CDC

“We are continuing our Alumni Speaker Series this upcoming year! Please contact us at greeklife@truman.edu if you are interested in coming to campus to speak about a professional development topic, and meet current students! It is a wonderful way to stay connected to Greek Life!”

“Join our LinkedIn Group for Truman Greek Alumni! This is a wonderful way to build professional connections and network with people who have had similar experiences during their time at Truman. We would love to have more alumni join our group in order to increase the opportunities available to members! Please consider joining, as it is a wonderful way to stay connected to other Truman alumni, and learn about professional opportunities.”

“SAVE THE DATE”
Greek Life will have a table for Greek alumni at the Homecoming tailgate on October 10 and would love to see everyone there! If you are planning on coming to Kirksville for Homecoming, please stop by! This is a great way to see old friends and make new ones as well.
